

340B Journey

Simplifying the Complex

The Go-To Resource for All Things 340B

The Pharmacy Services Support Center (PSSC) has simplified your 340B journey. This new information vehicle organizes 340B resources from various partners, associations, and information sources in easily identified categories. The best articles, reports, and documents are gathered from environmental scans, reviewed, and posted with hyperlinks for users. All of this information is the most current available.

- ✚ Getting Started - contains comprehensive information new entities need to complete their journey in the eligibility process.
- ✚ Policy and Education -lists education modules, relevant presentations, policy articles, and resources.
- ✚ Patient Safety and Quality Initiatives - contains patient safety articles and resources and quality initiative resources.
- ✚ Resources section - contains the Access for All articles, recommended journal lists, PSSC presentations, links, tools and consumer page.
- ✚ All are fully searchable and easily printed.

Simplify the complex and visit us often -

Whether you're looking to register new entities or need assistance for an existing entity. We strive to be an education vehicle by providing the latest new developments, upcoming meetings, tip of the week and list of the best 340B related peer-reviewed articles. Also, users can sign up for customized alerts that best fits their needs.

Begin your 340B journey today!
